

Sylvia Becker-Hill

Mastering the Power of Strategic Change™

...with Neuroscience and Emotional Intelligence

Speaker's Bio for Sylvia Becker-Hill (for Introduction by Host or MC)

Sylvia Becker-Hill is an **Executive Change Strategist** who specializes in **coaching corporate leaders** to bring about **positive, transformative change** with **lasting results**.

A highly recommended **speaker** and **coach**, Sylvia utilizes her **remarkable academic background** as well as the latest research in **neuroscience** and **emotional intelligence** to help **executives** transform their **leadership**.

With her knack for breaking down complex theoretical information into bite-sized pieces, she shows leaders how to **master change** and apply this knowledge to their everyday lives.

Sylvia has **15 years of experience** as a **coaching pioneer** on both sides of the Atlantic, and she has assisted corporate leaders with everything from **post-merger integration** and **change management** to **on-site training** and **conflict resolution**.

Sylvia is devoted to helping people live their **full potential**. With her help, clients have experienced **deep transformation**, finding that insurmountable burdens suddenly seem like blessings and “impossible” problems become pathways to opportunities.

Because of Sylvia's **passion, compassion, humor, intelligence** and **creativity**, people seek her spark and solutions *years* after their last meeting.

She engages her audiences with **unique activities** to help individuals set direction, clarify goals and walk away with the confidence to accomplish them.

Today, Sylvia will be addressing _____ (insert title). Referred to by one participant as “the best, the brightest and the coolest,” I am happy to present to you **Sylvia Becker-Hill**.

Sylvia Becker-Hill, Dipl. Verw., MA Phil, PCC

Executive Change Strategist and Neuroplasticity Trainer
