Application for a Free ProEFT Discovery Session with Sylvia Becker-Hill

As a coach I'm committed to serve you as best I can. In order to do so I need to know a bit about you and make sure that what you would like to work on with me in your free 30minutes ProEft discovery session is an appropriate issue for this kind of work or if you would be better off with something else regarding it or if I need to tell you that we can accomplish maybe only a first step in 30 minutes and not the final destination. Even though clients have told me again and again that the results of my work with them 'felt and looked like a miracle', it wouldn't be in integrity nor professional for me to promise you that.

Be reassured that all your information will be treated confidentially!
